To whom it may concern,

I had the great pleasure of first meeting and studying alongside George Bennis during Master Joseph Yu's Advanced Xuan Kong Feng Shui Seminars during February this year. During the Seminars I was in awe of George's passion and vast working knowledge of the application of dynamic Xuan Fong Feng Shui.

Since our initial meeting, George has become a valued friend and inspired mentor when discussing complex Feng Shui theory, application and practical solutions for business and residential consultations.

George is a no-nonsense, results orientated practitioner who consistently exhibits a practical, methodical, hands-on approach to Xuan Kong Feng Shui. I have no hesitation in recommending George's Feng Shui services as he is very experienced and ethical, as well as being one of the most highly respected Feng Shui practitioners in Australia.

Kind regards,

Derelle Ball
Feng Shui Practitioner
