To Whom It May Concern

My name is Takis Karagiannopoulos. I am a FSRC Certified Feng Shui Practitioner and Feng Shui Teacher in Greece.

I know George Bennis from his participation in the astro-fengshui Yahoo Group, an online group for advanced students and practitioners of FSRC, the School of Master Joseph Yu.

George Bennis is an expert on business Feng Shui. Business Feng Shui is one of the most difficult and complicated applications. Although I have been practicing Feng Shui since 2002, I have always asked for help in each business case. George was always the one to provide me with the right advice for my audits and my customers. He is actually the man behind my successful business audits.
